Ralph Gorman
Simba Farm Table
197 Plymouth St.

To Whom It May Concern:

Ralph Gorman made a magnificent 15' farm table for our family's country home. Ralph took great care in selecting the materials for our project, applying his artistic capability and highly skilled craftsmanship to our specific requirements. We are extremely pleased with the result.

Both my wife and I would offer the highest recommendation for Ralph, and would not hesitate to use him again.

Kind Regards,

Paul Calello
